President's Report-

From the King County Fire Chief's meeting – Mario Trevino lead a discussion on air systems in high rise buildings. Discussion on creating a video presentation of Seattle/King County Fire/EMS for new King County Fire Chiefs to view was held.

Guest Speaker- Leslie Colbo – Grand Canyon University

Leslie discussed the programs and perks for Fire and EMS personnel offered at GCU. Their most popular program for Fire/EMS is the B.S. in Public Safety and Emergency Management program. (I enrolled and am now a student at GCU, I'd be happy to answer any questions about this program)
