President's Report-

No report

Guest Speaker-

Mike Gagliano: Firefighter Air Replacement System (F.A.R.S.) mikeyj@aol.com

- Air management needs updating
 - o Main idea is "air" standpipe in high-rises (4 floors and greater)
 - o In new construction, Air standpipe will be constructed in conjunction with Water standpipes
- Every 2 floors would have a trans fill station
- Every 5 floors would have a pack fill station
- If interested and/or have any questions, contact Anthony Turiello (650) 654-6000 rescueair.com
- Mike would be more than happy to visit your fire station for a F.A.R.S "Discussion"
